

Ref: CA/SCM/OT/86/2023-2024.

23rd May 2024

Addendum No. 1

To All Bidders,

RE-TENDER FOR FABRICATION, SUPPLY AND DELIVERY OF 20FT CONTAINERS- CA/SCM/OT/86/2023-2024

Please refer to the above-mentioned tender that appeared in MY GOV on 14th May 2024.

Pursuant to clause 10.1 of the tender document uploaded to our website, and the Public Procurement Information Portal, the Authority wishes to respond to the clarification sought by some of the prospective bidders as follows:

No.	Item Requirement	CLARIFICATION	CA RESPONSE
1	Page 33. Fabrication, supply and installation to position as shown on site, 20 feet (20 x 8 x 8ft) container with specifications as detailed below:	Item 1 (One Heavy Duty Metallic Double Door with tamper proof locks basic roofing/canopy over door). Both have Quantities of 12, which might affect the arithmetic of the total since the other items account for a single container. We therefore request a Total Cost Summary table for each site location as the Total Cost of each is different	The quantity of the containers is amended from 12 each to 1 for each container
2	Mandatory requirement 13	We wish to request a waiver for the mandatory requirement no. 13 NCA 5 certificate for electrical works and NCA practicing license for electrical works for the bidding company.	The Authority cannot waive the NCA 5 since the container will host specialized electrical equipment
3	Maximum number of members in the Joint Venture (JV) shall be: JOINT VENTURE NOT ALLOWED	Considering that there is NO JV as indicated on page 24/113 of the bid document, can the vendors be allowed to attach either of the two certificates?	Joint Venture not allowed for this tender

ALL other conditions of the initial letter remain unchanged.

Yours Faithfully,

Peter Mwangi
FOR: DIRECTOR GENERAL
