

27<sup>th</sup> April 2017

To ALL Bidders,

**REF: Tender for Supply and delivery of Earth Megger tester- CA/PROC/OT/29/2016-2017**

---

This has reference to the above-mentioned tender in which bidders have requested for clarifications from the Authority.

The following are response to questions as requested.

**Question 1:**

The tender document has use the brand name <sup>3</sup>Megger<sup>2</sup> to describe the Earth Tester, Does it mean that the tender is skewed to meet the megger manufacturer or authorised distributor/s of megger or megger brand therefore locking out other Earth Tester manufacturers or authorized distributor or other brands which are available in the market.

**Response**

*The Authority is in need of an earth tester and is not specific to any brand. We are therefore open to receive bids from different suppliers so long as they meet the minimum specifications of the tender in terms of functionality.*

All the other conditions remain the same as stipulated in the tender document and the tender closing date still remains 3<sup>rd</sup> May 2017.

Yours faithfully,
