

PUBLIC NOTICE

CONMEN ON THE LOOSE!

It has come to the attention of the Commission that there are some unscrupulous persons who are going about masquerading as our agents or employees.

These masqueraders are soliciting money from unsuspecting members of the public and potential investors through promises of assistance in securing licences or business from the Commission. Other purported areas of assistance include 'professional advice', and facilitation to obtain frequencies.

Members of the public are hereby advised that the Commission has not contracted any individuals as its agents or middlemen. As a public institution, the Commission invites all Kenyans who require our services to contact us directly to avoid falling prey to con artists.

Information regarding the Commission and the requisite processes for obtaining various licences and registration is freely available from our offices at the CCK Centre, Waiyaki Way, opposite Kianda School or through our corporate website, www.cck.go.ke.

For clarification or further information, members of public are hereby invited to contact the Commission through info@cck.go.ke or on any of the following telephone numbers:

020 2424000, 0727531278, 0728651100, 0728651111, 0727531279.

The contact details of all CCK departments and units are available at
