SECTION I INVITATION TO TENDER

1.0 TENDER REF NO.: (CA/PROC/OT/44/2016-2017)

TENDER NAME: TENDER FOR SUPPLY, INSTALLATION AND CONFIGURATION OF A HIGH AVAILABILITY ENTERPRISE CLASS STORAGE

The *Communications Authority of Kenya (CA)* invites sealed bids for supply, installation and configuration of a high availability Enterprise Class Storage as detailed in the tender document.

As per the Authority's Strategic plan 2013-2018, under the Institutional Capacity Pillar and Modernize Internal Systems and Processes Strategic Objective, the IT&ERM department has in its FY 2016/17 Performance Contract committed to implement a High Availability Enterprise Class Storage for real-time back up of users' data and production environment.

The expected benefits after the implementation of a High Availability Enterprise Class Storage include the following:

i. IT Productivity

The Authority should gain efficiency and reduction of operations costs by ensuring Disaster Recovery and consolidation of production data.

ii. Maintenance of the Authority's Information Security Management System (ISMS)

The High Availability Enterprise Class Storage should provide encryption capability ensuring complete security of data. In this regard, if un-authorized personnel manages to get physical access to the device, they should not be able to make sense of the data since it is should be encrypted. This also applies to data that is in backup format or "on-the-fly" getting replicated.

The High Availability Enterprise Class Storage should be able to provide quick recovery of data in the event of data corruption.

iii. Cloud capability

The High Availability Enterprise Class Storage should present to the Authority a "private cloud" environment for the business data transactions, business data backup and disaster recovery. The Authority staff should be able to save and access user data from anywhere as long as they have Internet connectivity. In the event of a loss of data, the backed-up data can be restored.

iv. Business Intelligence

Once all the data is consolidated on the High Availability Enterprise Class Storage, this should enhance the Authority's capability of Business Intelligence.

v. Document Management System (DMS)

The High Availability Enterprise Class Storage should serve as back end storage for a Document Management System (DMS).

Interested candidates may obtain complete tender document *Free of Charge* from Procurement Office located at CA Centre 2nd floor wing A or may be downloaded from our website www.ca.go.ke or IFMIS supplier portal (<http://supplier.treasury.go.ke>).

Tenderers who download the tender document are advised to sign a tender register at the CA Procurement Office OR forward their full particulars and contact details to the Head of Procurement, Communications Authority of Kenya, through the email address tenders@ca.go.ke before the closing date for records and for purposes of receiving clarifications and/or addendums, if any.

Prices quoted should be net inclusive of all taxes and delivery costs. The quotation must be expressed in Kenya shillings and shall remain valid for period of (120) days from the closing date of the tender.

Completed tender documents in plain, sealed envelope clearly marked: **CA/PROC/OT/44/2016-2017--"TENDER FOR SUPPLY, INSTALLATION AND CONFIGURATION OF A HIGH AVAILABILITY ENTERPRISE CLASS STORAGE"** should be deposited in our tender box located on the ground floor of the CA Centre or mailed to the address below, so as to reach on or before **21st June, 2017 at 2.30 p.m.**

The Secretary

The Tender Committee

Communications Authority of Kenya

P.O. Box 14448, Nairobi 00800

Tel: +254 (020) 4242000/

Mobile: +254 703-042000

+254 736 121515/121414

Email: tenders@ca.go.ke

Website: www.ca.go.ke

Bids shall be opened soon thereafter at the CA 1st floor meeting room 2 in the presence of the bidders representative(s) who choose to attend.

SECTION II - INSTRUCTIONS TO TENDERERS

2.1 Eligible Tenderers

- 2.1.1 This Invitation for Tenders is open to all tenderers eligible as described in the Invitation to Tender. Successful tenderers shall complete the supply of goods/equipment by the intended completion date specified in the Schedule of Requirements.
- 2.1.2 The Authority's employees, committee members, board members and their relative (spouse and children) are not eligible to participate in the tender.
- 2.1.3 Tenderers shall provide the qualification information statement that the tenderer (including all members of a joint venture and subcontractors) is not associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Authority to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods under this Invitation for tenders.
- 2.1.4 Tenderers shall not be under a declaration of ineligibility for corrupt and fraudulent practices.

2.2 Eligible Goods

- 2.2.1 All goods/equipment's to be supplied under the contract shall have their origin in eligible source countries.
- 2.2.2 For purposes of this clause, "origin" means the place where the goods are mined, grown, or produced. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially-recognized product results that is substantially different in basic characteristics or in purpose or utility from its components
- 2.2.3 The origin of goods is distinct from the nationality of the tenderer.

2.3 Cost of Tendering

- 2.3.1 The Tenderer shall bear all costs associated with the preparation and submission of its tender, and the Authority, will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the tendering process.
- 2.3.2 All firms found capable of performing the contract satisfactorily in accordance with the set prequalification criteria shall be prequalified.

2.4 The Tender Document

- 2.4.1 The tender document comprises the documents listed below and addenda issued in accordance with clause 2.6 of these instructions to Tenderers

- (i) Invitation to Tender
- (ii) Instructions to tenderers
- (iii) General Conditions of Contract
- (iv) Special Conditions of Contract
- (v) Schedule of requirements
- (vi) Technical Specifications
- (vii) Tender Form and Price Schedules
- (viii) Tender Security Form
- (ix) Contract Form
- (x) Performance Security Form
- (xi) Bank Guarantee for Advance Payment Form
- (xii) Manufacturer's Authorization Form
- (xiii) Confidential Business Questionnaire

2.4.2 The Tenderer is expected to examine all instructions, forms, terms, and specifications in the tender documents. Failure to furnish all information required by the tender documents or to submit a tender not substantially responsive to the tender documents in every respect will be at the tenderers risk and may result in the rejection of its tender.

2.5 Clarification of Documents

2.5.2 A prospective tenderer requiring any clarification of the tender document may notify the Authority in writing or by post at the Authority's address indicated in the Invitation to Tender. The Authority will respond in writing to any request for clarification of the Tender documents, which it receives not later than seven (7) days prior to the deadline for the submission of tenders, prescribed by the Authority. Written copies of the Authority's response (including an explanation of the query but without identifying the source of inquiry) will be sent to all prospective tenderers that have received the tender document.

2.5.3 The Authority shall reply to any clarifications sought by the tenderer within 7 days of receiving the request to enable the tenderer to make timely submission of its tender.

2.6 Amendment of Documents

2.6.1 At any time prior to the deadline for submission of tenders, the Authority for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer, may modify the tender documents by amendment.

2.6.2 All prospective candidates that have received the tender documents will be notified of the amendment in writing or by post and will be binding on them.

2.6.3 In order to allow prospective tenderers reasonable time in which to take the amendment into account in preparing their tenders, the Authority, at its discretion, may extend the deadline for the submission of tenders.

2.7 Language of Tender

2.7.1 The tender prepared by the tenderer, as well as all correspondence and documents relating to the tender exchange by the tenderer and shall be written in English language, provided that any printed literature furnished by the tenderer may be written in another language provided they are accompanied by an accurate English translation of the relevant passages in which case, for purposes of interpretation of the tender, the English translation shall govern.

2.8 Documents Comprising of Tender

2.8.1 The tender prepared by the tenderers shall comprise the following components

- (a) a Tender Form and a Price Schedule completed in accordance with paragraph 2.9, 2.10 and 2.11 below
- (b) documentary evidence established in accordance with paragraph 2.1 that the tenderer is eligible to tender and is qualified to perform the contract if its tender is accepted;
- (c) documentary evidence established in accordance with paragraph 2.2 that the goods and ancillary services to be supplied by the tenderer are eligible goods and services and conform to the tender documents; and
- (d) tender security furnished in accordance with paragraph 2.14

2.9 Tender Forms

2.9.1 The tenderer shall complete the Tender Form and the appropriate Price Schedule furnished in the tender documents, indicating the goods to be supplied, a brief description of the goods, their country of origin, quantity, and prices.

2.10 Tender Prices

2.10.1 The tenderer shall indicate on the appropriate Price Schedule the unit prices and total tender price of the goods it proposes to supply under the contract

2.10.2 Prices indicated on the Price Schedule shall include all costs including taxes, insurances and delivery to the premises of the entity.

2.10.3 Prices quoted by the tenderer shall be fixed during the Tender's performance of the contract and not subject to variation on any account. A tender submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to paragraph 2.22

2.10.4 The validity period of the tender shall be 120 days from the date of opening of the tender.

2.1 Tender Currencies

2.11.1 Prices shall be quoted in Kenya Shillings unless otherwise specified in the Appendix to Instructions to Tenderers.

2.12 Tenderers Eligibility and Qualifications

2.12.1 Pursuant to paragraph 2.1. The tenderer shall furnish, as part of its Tender, documents establishing the tenderers eligibility to tender and Its qualifications to perform the contract if it's tender is accepted.

2.12.2 The documentary evidence of the tenderers eligibility to tender shall establish to the Authority's satisfaction that the tenderer, at the time of submission of its tender, is from an eligible source country as defined under paragraph 2.1

2.12.3 The documentary evidence of the tenderers qualifications to perform the contract if its tender is accepted shall be established to the Authority's satisfaction;

- (a) that, in the case of a tenderer offering to supply goods under the contract which the tenderer did not manufacture or otherwise produce, the tenderer has been duly authorized by the goods' Manufacturer or producer to supply the goods.
- (b) that the tenderer has the financial, technical, and production capability necessary to perform the contract;
- (c) that, in the case of a tenderer not doing business within Kenya, the tenderer is or will be (if awarded the contract) represented by an Agent in Kenya equipped, and able to carry out the Tenderer's maintenance, repair, and spare parts-stocking obligations prescribed in the Conditions of Contract and/or Technical Specifications.

2.13 Goods Eligibility and Conformity to Tender Documents

2.13.1 Pursuant to paragraph 2.2 of this section, the tenderer shall furnish, as part of its tender documents establishing the eligibility and conformity to the tender documents of all goods which the tenderer proposes to supply under the contract

2.13.2 The documentary evidence of the eligibility of the goods shall consist of a statement in the Price Schedule of the country of origin of the goods and services offered which shall be confirmed by a certificate of origin issued at the time of shipment.

2.13.3 The documentary evidence of conformity of the goods to the tender documents may be in the form of literature, drawings, and data, and shall consist of:

- (a) a detailed description of the essential technical and performance characteristic of the goods;
- (b) a list giving full particulars, including available source and current prices of spare parts, special tools, etc., necessary for the proper and continuing

- functioning of the goods for a period of two (2) years, following commencement of the use of the goods by the Authority; and
- (c) a clause-by-clause commentary on the Authority's Technical Specifications demonstrating substantial responsiveness of the goods and service to those specifications, or a statement of deviations and exceptions to the provisions of the Technical Specifications.

2.13.4 For purposes of the documentary evidence to be furnished pursuant to paragraph 2.13.3(c) above, the tenderer shall note that standards for workmanship, material, and equipment, as well as references to brand names or catalogue numbers designated by the Procurement entity in its Technical Specifications, are intended to be descriptive only and not restrictive. The tenderer may substitute alternative standards, brand names, and/or catalogue numbers in its tender, provided that it demonstrates to the Procurement entity's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

2.14 Tender Security

2.14.1 The tender security is required of **Kshs 500,000** to protect the Authority against the risk of Tenderer's conduct which would warrant the security's forfeiture, pursuant to paragraph 2.14.7

2.14.2 The tender security shall be denominated in Kenya Shillings or in another freely convertible currency, and shall be in the form of a bank guarantee or a bank draft issued by a reputable bank located in Kenya or abroad or insurance bond from the firms approved by Public Procurement Regulatory Authority (PPRA). The Tender security must be valid for 150 days from the tender opening date.

2.14.3 Any tender not secured in accordance with paragraph 2.14.1 and 2.14.3 will be rejected by the Authority as non-responsive, pursuant to paragraph 2.22

2.14.4 Unsuccessful Tenderer's tender security will be discharged or returned as promptly as possible as but not later than thirty (30) days after the expiration of the period of tender validity prescribed by the Authority.

2.14.5 The successful Tenderer's tender security will be discharged upon the tenderer signing the contract, pursuant to paragraph 2.27 and furnishing the performance security, pursuant to paragraph 2.28

2.14.6 The tender security may be forfeited:

- (a) if a tenderer withdraws its tender during the period of tender validity specified by the Authority on the Tender Form; or
- (b) in the case of a successful tenderer, if the tenderer fails:
 - (i) to sign the contract in accordance with paragraph 2.27, or
 - (ii) to furnish performance security in accordance with paragraph 2.28

2.15 Validity of Tenders

- 2.15.1 Tenders shall remain valid for 120 days or as specified in the Invitation to tender after the date of tender opening prescribed by the Authority, pursuant to paragraph 2.18. A tender valid for a shorter period shall be rejected by the Authority as non-responsive.
- 2.15.2 In exceptional circumstances, the Authority may solicit the Tenderer's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The tender security provided under paragraph 2.14 shall also be suitably extended. A tenderer may refuse the request without forfeiting its tender security. A tenderer granting the request will not be required nor permitted to modify its tender.

2.16 Format and Signing of Tender

- 2.16.1 The Authority shall prepare two copies of the tender, clearly marking each "ORIGINAL TENDER" and "COPY OF TENDER," as appropriate. In the event of any discrepancy between them, the original shall govern.
- 2.16.2 The original and all copies of the tender shall be typed or written in indelible ink and shall be signed by the tenderer or a person or persons duly authorized to bind the tenderer to the contract. The latter authorization shall be indicated by written power-of-attorney accompanying the tender. All pages of the tender, except for unamended printed literature, shall be initialed by the person or persons signing the tender.
- 2.16.3 The tender shall have no interlineations, erasures, or overwriting except as necessary to correct errors made by the tenderer, in which case such corrections shall be initialed by the person or persons signing the tender.

2.17 Sealing and Marking of Tenders

- 2.17.1 The Tenderer shall seal the original and each copy of the tender in separate envelopes, duly marking the envelopes as "ORIGINAL" and "COPY." The envelopes shall then be sealed in an outer envelope.
- 2.17.2 The inner and outer envelopes shall:
- (a) Be addressed to the Authority at the address given in the Invitation to Tender:
 - (b) Bear, tender number and name in the Invitation for Tenders and the words, "**DO NOT OPEN BEFORE, 21st June, 2017 at 2.30 p.m.**"
- 2.17.3 The inner envelopes shall also indicate the name and address of the tenderer to enable the tender to be returned unopened in case it is declared "late".

2.17.4 If the outer envelope is not sealed and marked as required by paragraph 2.17.2, the Authority will assume no responsibility for the tender's misplacement or premature opening.

2.18 Deadline for Submission of Tenders

2.18.1 Tenders must be received by the Authority at the address specified under paragraph 2.17.2 no later **21st June, 2017 at 2.30 p.m.**

2.18.2 The Authority may, at its discretion, extend this deadline for the submission of tenders by amending the tender documents in accordance with paragraph 2.6, in which case all rights and obligations of the Authority and candidates previously subject to the deadline will therefore be subject to the deadline as extended

2.19 Modification and Withdrawal of Tenders

2.19.1 The tenderer may modify or withdraw its tender after the tender's submission, provided that written notice of the modification, including substitution or withdrawal of the tenders, is received by the Authority prior to the deadline prescribed for submission of tenders.

2.19.2 The Tenderer's modification or withdrawal notice shall be prepared, sealed, marked, and dispatched in accordance with the provisions of paragraph 2.17. A withdrawal notice may also be sent by cable, telex but followed by a signed confirmation copy, postmarked not later than the deadline for submission of tenders.

2.19.3 No tender may be modified after the deadline for submission of tenders.

2.19.4 No tender may be withdrawn in the interval between the deadline for submission of tenders and the expiration of the period of tender validity specified by the tenderer on the Tender Form. Withdrawal of a tender during this interval may result in the Tenderer's forfeiture of its tender security, pursuant to paragraph 2.14.7

2.19.5 The Authority may at any time terminate procurement proceedings before contract award and shall not be liable to any person for the termination.

2.19.6 The Authority shall give prompt notice of the termination to the tenderers and on request give its reasons for termination within 14 days of receiving the request from any tenderer.

2.20 Opening of Tenders

2.20.1 The Authority will open all tenders in the presence of tenderer's representatives who choose to attend, at 2.30 PM on **21st June, 2017** and in the location specified in the Invitation to Tender.

The tenderers' representatives who are present shall sign a register evidencing their attendance.

2.20.2 The tenderers' names, tender modifications or withdrawals, and the presence or absence of requisite tender security and such other details as the Authority, at its discretion, may consider appropriate, will be announced at the opening.

2.20.3 The Authority will prepare minutes of the tender opening.

2.21 Clarification of Tenders

2.21.1 To assist in the examination, evaluation and comparison of tenders the Authority may, at its discretion, ask the tenderer for a clarification of its tender. The request for clarification and the response shall be in writing, and no change in the prices or substance of the tender shall be sought, offered, or permitted.

2.21.2 Any effort by the tenderer to influence the Authority in the Authority's tender evaluation, tender comparison or contract award decisions may result in the rejection of the tenderers' tender.

2.22 Preliminary Examination

2.22.1 The Authority will examine the tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the tenders are generally in order.

2.22.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantify, the unit price shall prevail, and the total price shall be corrected. If the candidate does not accept the correction of the errors, its tender will be rejected, and its tender security forfeited. If there is a discrepancy between words and figures the amount in words will prevail

2.22.3 The Authority may waive any minor informality or non-conformity or irregularity in a tender which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any tenderer.

2.22.4 Prior to the detailed evaluation, pursuant to paragraph 2.23 the Authority will determine the substantial responsiveness of each tender to the tender documents. For purposes of these paragraphs, a substantially responsive tender is one, which conforms to all the terms and conditions of the tender documents without material deviations. The Authority's determination of a tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

2.22.5 If a tender is not substantially responsive, it will be rejected by the Authority and may not subsequently be made responsive by the tenderer by correction of the non- conformity.

2.23 Conversion to Single Currency

2.23.1 Where other currencies are used, the Authority will convert these currencies to Kenya Shillings using the selling exchange rate on the rate of tender closing provided by the Central Bank of Kenya.

2.24 Evaluation Process

- a. The tenders submitted will be evaluated in five (5) stages; Mandatory Requirements Evaluation stage, Mandatory Technical Requirements Evaluation stage, Technical Capacity Requirements Evaluation stage, Financial Evaluation Stage and due diligence at the Original Equipment Manufacturer (OEM) Executive briefing center.
- b. Mandatory Requirements Evaluation stage –Pass/Fail
- c. Mandatory Technical Requirements Evaluation stage – Complied/Not complied
- d. Technical Capacity Requirements Evaluation stage - 80% Pass
- e. Financial Evaluation Stage – Lowest cost evaluated bidder.
- f. Due diligence at the Original Equipment Manufacturer (OEM) Executive briefing center

2.24.1 General Evaluation criteria

The bids shall undergo a general pre-qualification process in order to determine bid compliance to the following mandatory requirements. Tenderers are required to comply to the following requirements, failure to which the firm shall not proceed with the next stage of evaluation:

Mandatory Requirements

No	Description of requirement
1.	Attach copy of certificate of Registration/Incorporation
2.	Valid Tax Compliance Certificate
3.	Attach manufacturer's authorization letter to supply their products for each of the equipment to be supplied as detailed in the tender document
4.	Bid security of Kes. 500,000 from a reputable bank or insurance company approved by PPRA (former PPOA)
5.	Audited accounts for the last 3 years (2014/2015 and 2015/2016)
6.	Bidders must submit two (2) separate envelopes, clearly marked Technical (Mandatory Requirements, Mandatory Technical Requirements and Technical

	Capacity Requirements) and Financial bids, each with one original and one copy of the tender, enclosed in the outer envelope marked with the Tender name and the Tender identification number
7.	Serialized bid documents as per requirements of the Public Procurement and Asset Disposal Act (PPADA)

Failure to submit any of the above-mentioned documentation; will lead to disqualification of the firm at the Mandatory Requirements Evaluation stage. The bidders that will meet all the mandatory requirements above will qualify to proceed to the Mandatory Technical Requirements Evaluation stage.

2.24.2 Mandatory Technical Requirements Evaluation stage

The bids shall undergo a Mandatory Technical Requirements Evaluation in order to determine bid compliance to the following Minimum Technical Specifications Tenderers are required to comply to all the Minimum Technical Specifications requirements, failure to which the firm shall not proceed to the next stage of evaluation:

NB: If Complied, Bidders (YES) Must explain the compliance as indicated in the datasheet.

No.	Features	Minimum Technical Specifications	Complied (Yes/No)	If complied, Bidders explanation of compliance with reference to datasheet or bill of materials
1	Number of High Availability Enterprise Class Storages	Two (2) High Availability Enterprise Class Storages with ability to cluster and scale out as well as scale up		
2	Rack mounting of the High Availability Enterprise Class Storages	The High Availability Enterprise Class Storages must fit in a standard 42U rack		
3	Backup solution	Backup solution must be licensed to backup at least 400 users		
4	Capacity of the High Availability Enterprise Class Storages	Minimum 120TB usable capacity for each of the two (2) High Availability Enterprise Class Storages, each High Availability Enterprise Class Storages must be configured with a layer of SSD based Read cache		
5	No of clients/users supported	i. The High Availability Enterprise Class Storages/backup software must support a minimum of four hundred (400) clients/users		
		ii. The number of users must be scalable to at least one thousand (1,000)		
6	Replication Capability	The High Availability Enterprise Class Storages must support the following:		

No.	Features	Minimum Technical Specifications	Complied (Yes/No)	If complied, Bidders explanation of compliance with reference to datasheet or bill of materials
		i. Data to be replicated must be compressed		
		ii. Only incremental data is replicated to the secondary replication/ Storage site		
		iii. Replication software must be an integral part of the High Availability Enterprise Class Storages and must not be a third party tool		
7	Synchronization Capability	i. Solution should allow Viewing and opening files on any device using native applications, should allow file share and folder share externally using date limited links access		
		ii. No file size or bandwidth limits		
		iii. Integration with Active directory/LDAP for user authentication and single sign on (SSO)		
		iv. Supported devices: Windows XP/VISTA/7/8, including multi-profile windows environments; Mac OS lion or newer; Linux (Multiple distribution)		
		v. Support for office 365 inegration supporting collaborative editing		
8	Backup solution capabilities	Backup Solution must support the following:		
		i. Data Compression capability		
		ii. Encryption capability with the necessary encryption licences included		
		iii. Cloud (public/private) integration capability, Integration with AWS (Amazon web services), Microsoft Azure, OpenStack.		
		iv. End-End security and privacy: Source based AES 256-bit data encryption from the endpoint to the cloud with private encryption Keys, In transit encryption using TLS, Remote wipe for lost/Stolen mobile devices		
9	Management capability of the High Availability Enterprise Class Storages	The High Availability Enterprise Class Storages must have at least the following management capabilities:		
		i. Capacity planning		
		ii. Resilient data environment that delivers high data availability		

No.	Features	Minimum Technical Specifications	Complied (Yes/No)	If complied, Bidders explanation of compliance with reference to datasheet or bill of materials
		iii. Must have the ability for automated support and alerting		
		iv. Must provide a Secure Cloud based Monitoring and Reporting		
10	High Availability Enterprise Class Storage Controllers	The High Availability Enterprise Class Storage Controllers must:		
		i. Be a minimum of two (2) Storage controllers for each High Availability Enterprise Class Storage		
		ii. Have no single point of failure at the following nodes:		
		o Controller		
		o Cache		
		o Hard disks		
		o Power supply		
		o Fans		
		iii. Have a dedicated Ethernet management port		
		iv. Be able to deliver atleast 900,000 iops with (70% read/30% write)		
		v. Independent growth of capacity and performance through disk based capacity expansion and performance growth through controller addition to existing system		
		vi. Support data encryption including data replicated to DR site over the WAN		
		vii. All models provided must be forward and backward compatible with all system data protection, Storage efficiency and replication features		
		viii. Be scalable to higher model seamlessly. No forklift upgrade support will be considered		
		ix. Not degrade in performance or loose access to data in case of a single component or controller failure		
		x. Support mixed workloads with mixed block sizes eg. 4K, 8K, 16K, 32K and still perform optimally		
		xi. Have separate snapshot backup policy between production and DR site		

No.	Features	Minimum Technical Specifications	Complied (Yes/No)	If complied, Bidders explanation of compliance with reference to datasheet or bill of materials
		<p>xii. Use one single management tool from one console for production, backup and replication of data</p> <p>xiii. All possible licensing must be included in the proposal. No special Environment license or per TB license to be charged in the future</p> <p>xiv. No special Licensing charges for backup using snapshots, clones or replication be added and all costs if any be declared upfront.</p> <p>xv. Support in-line compression without impact to performance</p> <p>xvi. Support Thin provisioning and Snapshot capability</p> <p>xvii. Offer Comprehensive storage resource management capability, both Web Graphical User Interface (GUI) and Command Line Interface (CLI) for fully configuring, managing and administering storage and associated functionalities including deployment and automation</p> <p>xviii. Support 3 disk failures at the same time per RAID group without any data loss</p>		
11	Scalability of the High Availability Enterprise Class Storages	<p>i. Each of the High Availability Enterprise Class Storage must have a minimum of two (2) Controllers with capability to scaling-up and scaling out</p> <p>ii. The number of High Availability Enterprise Class Storages must be scalable to at least four (4) nodes</p>		
12	Network Capability of the High Availability Enterprise Class Storages	<p>The High Availability Enterprise Class Storages must:</p> <p>i. Support both one (1) Gigabyte connectivity and ten (10) Gigabyte ISCSI connectivity OR 16Gbps fibre channel (FC) connectivity</p> <p>ii. Support link aggregation/trunking of the ethernet ports</p> <p>iii. Include all necessary interfaces and cables for interconnections</p>		
13	Warranty period	<p>The High Availability Enterprise Class Storages must include:</p> <p>i. A minimum of three (3) years hardware warranty from Original Equipment Manufacturer (OEM)</p>		

No.	Features	Minimum Technical Specifications	Complied (Yes/No)	If complied, Bidders explanation of compliance with reference to datasheet or bill of materials
		ii. A minimum of three (3) years software warranty and support.		
		iii. OEM warranty must have next business day (NBD) part shipment support for 3 years		
14	Training	i. Must provide system administration training to a minimum of four (4) technical staff on the proposed High Availability Enterprise Class Storage after implementation		
		ii. Bidders must provide training details such as training modules, number of training days and the level of competence the technical staff will achieve after undergoing the training		
15	Post-implementation project documentation	Provide post-implementation documentation as follows: i. User manuals		
		ii. System configurations hand over documents. Provide template of similar hand over document		
		iii. Specification sheets		

Failure to meet any of the above technical requirements shall lead to disqualification at this stage.

2.24.3. Technical Capacity Requirements Evaluation stage

The bids shall undergo an evaluation on their technical capacity to supply, install and configure a High Availability Enterprise Class Storage as follows:-

No.	Requirement	Criteria Description	Weight
1.	Experience of the Firm	Bidders must provide names of at least three (3) sites where a High Availability Enterprise Class Storage has been implemented and operational for at least six (6) months (15 Marks) Bidders must further attach supply and maintenance work order copies and recommendation letters from the reference sites given above (15 Marks)	30

2.	Human Resource capacity	<p>Bidders must submit a list of proposed staff team by specialty, the tasks that would be assigned to each staff team member and the timings.</p> <p>Qualifications and competence of the key staff for the assignment Must be:</p> <p>i. The Project Manager must have qualification and experience in the area of supply, installation and maintenance service for the High Availability Enterprise Class Storage required preferably Degree and bias in IT with at least five (5) years experience. 		Total	100

For a bidder to qualify to proceed to the Financial Evaluation stage, they must score a minimum of 80%.

2.24.4. Financial Evaluation stage:

Bidders who qualify at the Technical Capacity Requirements Evaluation stage shall have their financial proposals opened. The evaluation committee shall determine whether the financial proposals are complete and recommend award to the lowest evaluated bidder.

Bidders must break down the Financial bid as follows:

- i. The cost for supply, installation and configuration of a High Availability Enterprise Class Storage and must be part of Form of Tender
- ii. **Post-implementation hourly support and maintenance cost for the proposed solution separately. The hourly support cost must not be included in the Form of Tender.**

All the prices quoted must be inclusive of all taxes. The delivery period must also be stated.

2.24.5. Due diligence at the Original Equipment Manufacturer (OEM) Executive briefing center

The winning Bidder's proposed High Availability Enterprise Class Storage Solution shall be subjected to a due diligence at the Original Equipment Manufacturer (OEM) Executive briefing center before award of the Tender.

2.25 Contacting the Authority

2.25.1 Subject to paragraph 2.21 no tenderer shall contact the Authority on any matter related to its tender, from the time of the tender opening to the time the contract is awarded.

2.25.2 Any effort by a tenderer to influence the Authority in its decisions on tender, evaluation, tender comparison, or contract award may result in the rejection of the Tenderer's tender.

2.26 Award of Contract

(a) Post-qualification

2.26.1 In the absence of pre-qualification, the Authority will determine to its satisfaction whether the tenderer that is selected as having submitted the lowest evaluated responsive tender is qualified to perform the contract satisfactorily.

2.26.2 The determination will take into account the tenderer financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 2.12.3 as well as such other information as the Authority deems necessary and appropriate.

2.26.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer. A negative determination will result in rejection of the Tenderer's

tender, in which event the Authority will proceed to the next lowest evaluated tender to make a similar determination of that Tenderer's capabilities to perform satisfactorily.

(b) Award Criteria

2.26.4 The Authority will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, provided further that the tenderer is determined to be qualified to perform the contract satisfactorily.

(c) Authority's Right to Vary quantities

2.26.5 The Authority reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of requirements without any change in unit price or other terms and conditions

(d) Authority's Right to accept or Reject any or All Tenders

2.26.6 The Authority reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the Authority's action.

2.27 Notification of Award

2.27.1 Prior to the expiration of the period of tender validity, the Authority will notify the successful tenderer in writing that its tender has been accepted.

2.27.2 The notification of award will constitute the formation of the Contract but will have to wait until the contract is finally signed by both parties

2.27.3 Upon the successful Tenderer's furnishing of the performance security pursuant to paragraph 2.28, the Authority will promptly notify each unsuccessful Tenderer and will discharge its tender security, pursuant to paragraph 2.14.

2.28 Signing of Contract

2.28.1 At the same time as the Authority notifies the successful tenderer that its tender has been accepted, the Authority will send the tenderer the Contract Form provided in the tender documents, incorporating all agreements between the parties.

2.28.2 The parties to the contract shall have it signed within 30 days from the date of notification of contract award unless there is an administrative review request.

2.28.3 Within thirty (30) days of receipt of the Contract Form, the successful tenderer shall sign and date the contract and return it to the Authority.

2.29 Performance Security

- 2.29.1 Prior to execution of contract, the successful tenderer shall furnish the performance security of **5%** of the bid price in accordance with the Conditions of Contract, in the Performance Security Form provided in the tender documents, or in another form acceptable to the Authority.
- 2.29.2 Failure of the successful tenderer to comply with the requirements of paragraph 2.27 or paragraph 2.28 shall constitute sufficient grounds for the annulment of the award and forfeiture of the tender security, in which event the Authority may make the award to the next lowest evaluated Candidate or call for new tenders.

2.30 Corrupt or Fraudulent Practices

- 2.30.1 The Authority requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts when used in the present regulations, the following terms are defined as follows;
- (i) “corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) “fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Authority, and includes collusive practice among tenderer (prior to or after tender submission) designed to establish tender prices at artificial non-competitive levels and to deprive the Authority of the benefits of free and open competition;
- 2.30.2 The Authority will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
- 2.30.3 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in public procurement in Kenya.

Appendix to Instructions to Tenderers

Notes on the Appendix to the Instruction to Tenderers

1. The Appendix to instructions to tenderers is intended to assist the Authority in providing specific information in relation to the corresponding clause in the instructions to Tenderers included in Section II and has to be prepared for each specific procurement.
2. The Authority should specify in the appendix information and requirements specific to the circumstances of the Authority, the goods to be procured and the tender evaluation criteria that will apply to the tenders.
3. In preparing the Appendix the following aspects should be taken into consideration;
 - (a) The information that specifies and complements provisions of Section II to be incorporated
 - (b) Amendments and/or supplements if any, to provisions of Section II as necessitated by the circumstances of the goods to be procured to be also incorporated
4. Section II should remain unchanged and can only be amended through the Appendix.
5. Clauses to be included in this part must be consistent with the public procurement law and the regulations.

Appendix to Instructions to Tenderers

The following information regarding the particulars of the tender shall complement supplement or amend the provisions of the instructions to tenderers. Wherever there is a conflict between the provision of the instructions to tenderers and the provisions of the appendix, the provisions of the appendix herein shall prevail over those of the instructions to tenderers

SECTION III - GENERAL CONDITIONS OF CONTRACT

3.1 Definitions

3.1.1 In this Contract, the following terms shall be interpreted as indicated:-

- (a) “The Contract” means the agreement entered into between the Authority and the tenderer, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.
- (b) “The Contract Price” means the price payable to the tenderer under the Contract for the full and proper performance of its contractual obligations
- (c) “The Goods” means all of the equipment, machinery, and/or other materials, which the tenderer is required to supply to the Authority under the Contract.
- (d) “The Authority” means the organization purchasing the Goods under this Contract.
- (e) “The Tenderer” means the individual or firm supplying the Goods under this Contract.

3.2 Application

3.2.1 These General Conditions shall apply in all Contracts made by the Authority for the procurement installation and commissioning of equipment

3.3 Country of Origin

3.3.1 For purposes of this clause, “Origin” means the place where the Goods were mined, grown or produced.

3.3.2 The origin of Goods and Services is distinct from the nationality of the tenderer.

3.4 Standards

3.4.1 The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications.

3.5 Use of Contract Documents and Information

3.5.1 The tenderer shall not, without the Authority’s prior written consent, disclose the Contract, or any provision therefore, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the Authority in connection therewith, to any person other than a person employed by the tenderer in the performance of the Contract.

3.5.2 The tenderer shall not, without the Authority's prior written consent, make use of any document or information enumerated in paragraph 3.5.1 above

3.5.3 Any document, other than the Contract itself, enumerated in paragraph 3.5.1 shall remain the property of the Authority and shall be returned (all copies) to the Authority on completion of the Tenderer's performance under the Contract if so required by the Authority

3.6 Patent Rights

3.6.1 The tenderer shall indemnify the Authority against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof in the Authority's country

3.7 Performance Security

3.7.1 The proceeds of the performance security shall be payable to the Authority as compensation for any loss resulting from the Tenderer's failure to complete its obligations under the Contract.

3.7.2 The performance security shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Authority and shall be in the form of a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in Kenya or abroad, acceptable to the Authority, in the form provided in the tender documents.

3.7.3 The performance security will be discharged by the Authority and returned to the Candidate not later than thirty (30) days following the date of completion of the Tenderer's performance obligations under the Contract, including any warranty obligations, under the Contract

3.8 Inspection and Tests

3.8.1 The Authority or its representative shall have the right to inspect and/or to test the goods to confirm their conformity to the Contract specifications. The Authority shall notify the tenderer in writing in a timely manner, of the identity of any representatives retained for these purposes.

3.8.2 The inspections and tests may be conducted in the premises of the tenderer or its subcontractor(s), at point of delivery, and/or at the Goods' final destination. If conducted on the premises of the tenderer or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Authority.

3.8.3 Should any inspected or tested goods fail to conform to the Specifications, the Authority may reject the equipment, and the tenderer shall either replace the rejected equipment or make alterations necessary to make specification requirements free of costs to the Authority.

3.8.4 The Authority's right to inspect, test and where necessary, reject the goods after the Goods' arrival shall in no way be limited or waived by reason of the equipment having previously been inspected, tested and passed by the Authority or its representative prior to the equipment delivery.

3.8.5 Nothing in paragraph 3.8 shall in any way release the tenderer from any warranty or other obligations under this Contract.

3.9 Packing

3.9.1 The tenderer shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract.

3.9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract

3.10 Delivery and Documents

3.10.1 Delivery of the Goods shall be made by the tenderer in accordance with the terms specified by Authority in its Schedule of Requirements and the Special Conditions of Contract

3.11 Insurance

3.11.1 The Goods supplied under the Contract shall be fully insured against loss or damage incidental to manufacturer or acquisition, transportation, storage, and delivery in the manner specified in the Special conditions of contract.

3.12 Payment

3.12.1 The method and conditions of payment to be made to the tenderer under this Contract shall be specified in Special Conditions of Contract

3.12.2 Payments shall be made promptly by the Authority as specified in the contract

3.13 Prices

3.13.1 Prices charged by the tenderer for goods delivered and services performed under the Contract shall not, with the exception of any price adjustments authorized in Special Conditions of Contract, vary from the prices by the tenderer in its tender.

3.13.2 Contract price variations shall not be allowed for contracts not exceeding one year (12 months)

3.13.3 Where contract price variation is allowed, the variation shall not exceed 10% of the original contract price.

3.13.4 Price variation request shall be processed by the Authority within 30 days of receiving the request.

3.14. Assignment

3.14.1 The tenderer shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Authority's Authority' prior written consent

3.15 Subcontracts

3.15.1 The tenderer shall notify the Authority in writing of all subcontracts awarded under this Contract if not already specified in the tender. Such notification, in the original tender or later, shall not relieve the tenderer from any liability or obligation under the Contract

3.16 Termination for default

3.16.1 The Authority may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the tenderer, terminate this Contract in whole or in part

- (a) if the tenderer fails to deliver any or all of the goods within the period(s) specified in the Contract, or within any extension thereof granted by the Authority
- (b) if the tenderer fails to perform any other obligation(s) under the Contract
- (c) if the tenderer, in the judgment of the Authority has engaged in corrupt or fraudulent practices in competing for or in executing the Contract

3.16.2 In the event the Authority terminates the Contract in whole or in part, it may procure, upon such terms and in such manner as it deems appropriate, equipment similar to those undelivered, and the tenderer shall be liable to the Authority for any excess costs for such similar goods.

3.17 Liquidated Damages

3.17.1 If the tenderer fails to deliver any or all of the goods within the period(s) specified in the contract, the Authority shall, without prejudice to its other remedies under the Contract levy liquidated damages sum of Kshs 20,000 per week.

3.18 Resolution of Disputes

3.18.1 The Authority and the tenderer shall make every effort to resolve amicably by direct informal negotiation and disagreement or dispute arising between them under or in connection with the contract

3.18.2 If, after thirty (30) days from the commencement of such informal negotiations both parties have been unable to resolve amicably a contract dispute, either party may require adjudication in an agreed national or international forum, and/or international arbitration.

3.19 Language and Law

3.19.1 The language of the contract and the law governing the contract shall be English language and the Laws of Kenya respectively unless otherwise stated.

3.20 Force Majeure

3.20.1 The tenderer shall not be liable for forfeiture of its performance security or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

SECTION IV - SPECIAL CONDITIONS OF CONTRACT

Notes on Special Conditions of Contract

The clauses in this section are intended to assist the Authority in providing contract-specific information in relation to corresponding clauses in the General Conditions of Contract.

The provisions of Section IV complement the General Conditions of Contract included in Section III, specifying contractual requirements linked to the special circumstances of the Authority and the goods being procured. In preparing Section IV, the following aspects should be taken into consideration.

- (a) Information that complement provisions of Section III must be incorporated and
- (b) Amendments and/or supplements to provisions of Section III, as necessitated by the circumstances of the goods being procured must also be incorporated.

SECTION V - SCHEDULE OF REQUIREMENTS

You are requested to tender for the supply, installation and configuration of a high availability Enterprise Class Storage as per the mandatory technical requirements spelled out in section 2.24.2 as follows:

No.	REQUIREMENT	ITEM DESCRIPTION	TOTAL QUANTITY
