

26th October 2018

To ALL Bidders,

**REF: RESPONSES TO CLARIFICATIONS - TENDER FOR
PROVISION OF CLEANING SERVICES AT CA REGIONAL OFFICES
IN KISUMU, ELDORET, MOMBASA AND NYERI - REF:
CA/PROC/OT/15/2018-2019**

We have received request for clarification in reference to the above mentioned tender. Below are the responses to the questions raised.

Q1. Are we supposed to have Business permits from the 4 respective regions?

CA's Response

Bidders must provide respective business permits for all the regions they intend to bid for.

Q2. On the Technical evaluation "County Government Environment Management Permit" - There is no such permit.

CA's Response

Environmental Management is a devolved service and no one can transport or handle garbage without any license or permit from the county. If the service provider has been officially informed by the county, that such a permit or license does not exist, they should attach the official correspondence.

Q3. We realize that the deadline for the site visits was 24th October 2018. We are hereby requesting to be given access to conduct the site visits to enable us participate in the tender.

CA's Response

The site visit period has been extended to **2nd November 2018**. All bidders who visit the site should ensure that their site visit forms are duly signed and stamped at the respective regional offices.

ALL other conditions including the closing date remain the same.

Yours faithfully,

COMMUNICATIONS AUTHORITY OF KENYA

Mrs. Janet Imunya
